May 2011

Quote of the month

**“DO NOT RUN DOWN the other man’s plan
Unless
you have better ones to offer”**

CEO’s message

Ideal golfing conditions prevailed during the month with added advantage of better playing greens than the club has ever witnessed.

The two new Greens No. 2 & 13 has so far proved to be the ideal for the course, but we will have to see them through the rainy season although we are confident that they would continue to play well.

Having introduced full menu in the Dining Hall, the footfall has considerably increased and we look forward to see more members on weekdays. We also solicit the members cooperation in filling up the feedback forms, which would help us to improve the service.

Chief Executive Officer**

RCGC Website Quiz Contest for May 2011

(Tick the correct answer)

In stroke play, during play of the 17th hole, players tee off on the 18th hole in order to save time. They complete the 17th hole and resume play on the 18th hole. After holing out, they consult with the Committee. What is the ruling?

- If the Committee is satisfied that the players did not gain an advantage by their procedure, their scores should be accepted without penalty.
- If the Committee determines that the players gained an advantage by their procedure, they should be required to rectify their error or be disqualified.
- The Committee should disqualify the players.
