## Quote of the month

**“You can’t get anywhere today,  
If you are still tied down to yesterday”**

## CEO's message

Month of May has been reasonably pleasant for the Golfers and the course has been playing well and possibly better than the previous years. Monthly Medal as usual was very well participated alongwith other Club Tournaments, which continue to attract more and more Golfers.

Renovated Dining Hall with full Menu in Service has been drawing large number of members and their families, which at times has caused inconvenience to members. To avoid inconvenience and make members visit to the Dining Hall more enjoyable, Club has introduced the table booking system for which a detailed circular has been sent to the members and look forward for this system to stabilize so as to render better service to members.

We would also be introducing a musical evening once a month on Saturday. The first musical evening has been planned to be on 11th June '11. There would be live band with special snack counters and look forward for members participation.
