Article of the month

ENOUGH IS ENOUGH

N.L. Whitney, who represented an Oil Company in India, held membership in the Royal Calcutta Golf Club. An enthusiastic golfer, although not a good one, he found himself grouped in a four ball one day, and started off 3-4-4, three consecutive birdies at the time.

After his third birdie, Whitney turned to his partner and said "I'm not going to spoil this. Besides, I've already done more than you could possibly expect of me for a full round". Then he turned and walked back in.

Humour of the month

FRIENDS

Nick and Lou head out for a quick round of golf. Since they are short on time, they decide to play only 9 holes. Nick says to Lou "lets have a bet of \$ 5 on the lowest score for the day".

Lou agrees and they enjoy a great game. After the 8th hole, Lou is ahead by 1 stroke, but cuts the ball into the rough. "Help me find my ball, you look over there," he says to Nick. After 5 minutes, neither has any luck and since a lost ball carries a two stroke penalty, Lou pulls a ball from his pocket and tosses it to the ground.

"I've found my ball!" he announces triumphantly. Nick looks at him forlornly and says "After all the years we've been friends you'd cheat me on golf for a measly five bucks?" "What you do mean cheat? I found my ball sitting right here!"

"And a liar too!" Nick says with amazement.

"I'll have you to know, I've been standing on your ball for the last five minutes!"

Golfing Tip

Tee height can make a lot of difference in a shot. Tee the ball higher when there is trouble right and lower when there is trouble left. Lower tee into headwind is not always a great idea as it creates a steeper angle of approach causing more back spin and can reduce distance.
